THE LITTLE MERMAID

HUNTS FOR TREASURE

The Little Mermaid, Ariel,
is hunting for sunken treasure.
Is there something behind the pink coral?

"Let's look in this old sunken ship," says Ariel.

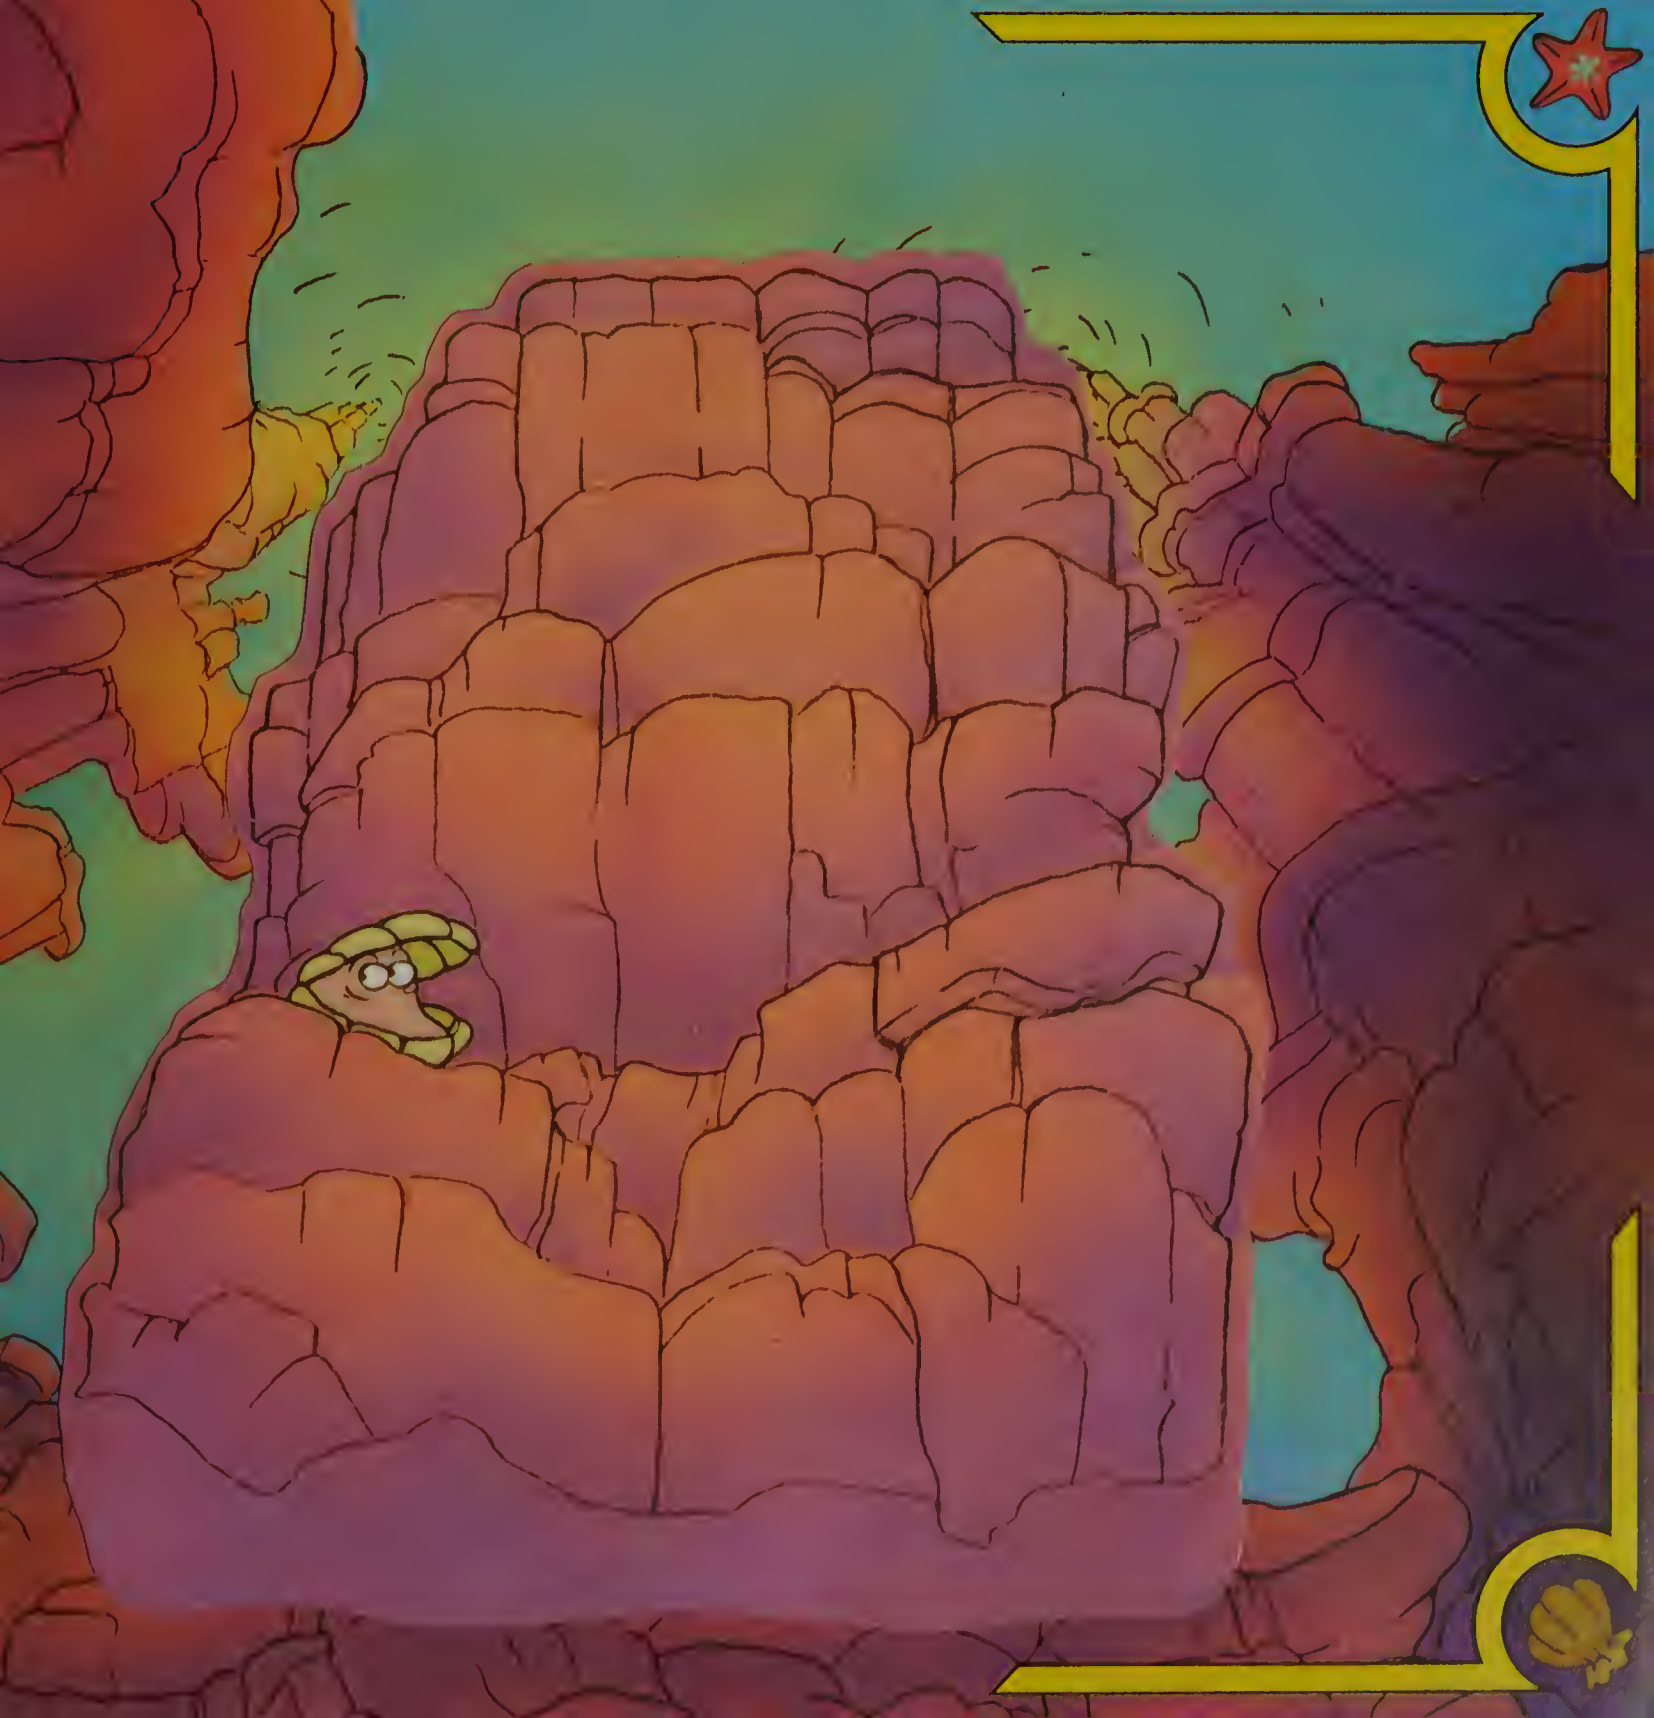
What's behind the tall seaweed?

There *must* be some treasure behind that big boulder.

"Let's stay away from Ursula!" says Flounder.
"Good idea," says Ariel.
"Let's look behind the green sea stalks."

Is there treasure behind
the giant clamshell?

"What's inside this cavern?" asks Ariel.



What's behind this blue rock?

Flounder can't find Ariel. Can you?
